RELEVANCE - READINESS - OPTIMIZATION

I want to extend my congratulations to you, the leadership and the faculty at the Uniformed Services University for your exemplary performance in receiving a ten-year accreditation with commendation from the Middle States Commission on Higher Education. This is a notable achievement, and it reflects a successful, long-term commitment to the highest levels of professional medical education for this Nation’s Military Health System. The quality of your graduates continues to serve as a testament to the quality of the teaching that was endorsed by the Middle States Commission. You and your staff continue to make significant contributions to our Nation’s military readiness and our national medical preparedness.

- The Honorable William Winkenwerder, Jr., M.D.,
Assistant Secretary of Defense, Health Affairs,
Letter to the USU President, July 22, 2003.

Establishment..... 395-397	
The Uniformed Services Health Professions Revitalization Act (Public Law 92-426) Established the University in 1972 and Directed the Establishment of Graduate Education Programs	395
The Establishment of the Office of the Associate Dean for Graduate Education	396
Graduate Education Programs Provided at USU	396-397
Graduate Education Programs Generate Cost Avoidance for DoD during 2003 - \$1,650,000	397
Mission 398-408	
Mission Direction Calls for the Development of Graduate Education Programs	398
Graduate Programs Benefit the Military Health System.....	398
Responsiveness to the Needs of the Services	399-408
- Master of Military Medical History	399
- The Graduate Program in Clinical Psychology Trains Clinical Psychologist to Serve in the Uniformed Services.....	399
- A Graduate Program Offering Specialties in Undersea Medicine and Aviation Physiology.....	400
- The Physician Scientist Training Program (Medical Doctor/Doctor of Philosophy Program).....	400-401
- The Master of Comparative Medicine (MCM) - An Interdisciplinary Program.....	401
- Three Interdisciplinary Biomedical Graduate Training and Research Programs Relevant to the Needs of the Uniformed Services.....	401-402
- The Interdisciplinary Graduate Program in Emerging Infectious Diseases.....	403-404
- The Graduate Education Programs in Preventive Medicine and Public Health Address the Special Needs of the Military Health System.....	404-408
Academic Requirements and Accreditation..... 409-412	
Academic Excellence and Uniformity Ensure Accreditation	409
The Graduate Education Committee and Program Reviews Ensure the Quality of the Programs.....	409-410
Accreditation of USU Graduate Programs	410-412
- The Middle States Commission on Higher Education	410
- The Council on Education for Public Health.....	410-411
- Accreditation Board for Engineering and Technology Accreditation for the Division of Environmental and Occupational Health.....	411
- Clinical Psychology Program Receives Accreditation	411-412

Academic Resource for the Uniformed Services	413-415
The Development of Independent Scholarship	413
The Faculty of the Graduate Education Programs Ensure an Individualized Program Built on Quality Research and Instruction	413-414
- 2003 School of Medicine Biomedical Graduate Educator Award	414
Research Facilities Are Well Equipped and Support the Graduate Education Programs	414
The 2003 Graduate Student Research Colloquium	414-415
Student Affairs	416-418
Selection of Students	416
Demographics and Qualifications of the Student Body	417
24th Commencement - May 17, 2003	417-418
- The USU Graduate Education Programs Have Granted a Total of 798 Degrees (Through April of 2004).....	418
- The 2003 Graduate Student Award	418
- The Henry M. Jackson Foundation Fellowship in Medical Sciences Awards.....	418
Alumni Affairs	419-426
Overview of the Preparation of Graduate Students for Appropriate Career Opportunities	419-421
Selected Achievements of USU Graduate Degree Program Alumni (Classes of 1984 through 2002)	421-426

V. GRADUATE MEDICAL EDUCATION.....	427-436
Establishment.....	427-428
Background - Graduate Medical Education Programs in the Military Health System	427-428
- Simulated Operating Rooms for Specific Specialties Are Available on the USU Campus.....	428
- The National Capital Area Medical Simulation Center Offers State-of-the-Art Simulated Training.....	428
The USU School of Medicine Office of Graduate Medical Education (GME)	428
Mission.....	429
USU Office of Graduate Medical Education Serves as a Significant Academic Component for Graduate Medical Education in the Military Health System	429
Policy for Military Unique Training in DoD-Sponsored Graduate Medical Education Programs	430-431
Graduate Medical Education Policy Is Issued by the Assistant Secretary of Defense for Health Affairs on June 28, 1999	430-431
- Each Program Must Include a Military Unique Curriculum that Is Standardized and Specialty Specific	431
- USU School of Medicine Office of Graduate Medical Education Coordinates the Development of Curricula	431
National Capital Consortium.....	432-436
Development of the National Capital Consortium	432
Mission of the National Capital Consortium	432
Accreditation	433
New Programs	433
National Capital Consortium/Graduate Medical Education Awards and Distinctions (2002-2003)	434-436
- Selected Examples	434-435
- American Medical Association Foundation Leadership Awards	435
- Scholarly Activity	435
- Board Certification.....	436
A Selected Example of GME and GME Staff Contributions to DoD Mission Requirements	436

VI. THE OFFICE OF CONTINUING EDUCATION FOR HEALTH PROFESSIONALS .437-448

Mission	437-439
USU is Mandated by Congress to Provide Continuing Education for Health Professionals (CHE)	437
Six Factors Mandate CHE's Essential Role in Today's Military Health System.....	438
Continuing Education for Health Professionals Must Ensure Academic Involvement in all Phases of Educational Activities Designated for Credit	438-439
Nationally Recognized Continuing Education Credit	440
Unique Accreditation Within the Military Health System	440
The Continuing Health Education Committee	440
Increased Support for the Military Health System.....	441-444
Continuing Education for Health Professionals Support for Graduate Medical Education Programs	441
Continuing Education for Health Professionals Support for TRICARE/Health Affairs Initiatives	441
Specialty and Review Courses for the Military Health System.....	441-444
- Medical Readiness - The Military Medical Humanitarian Assistance Course	441-442
- Distance Activities	442-443
- DoD Smallpox Vaccination: Standard Training	442
- Military Vaccine Agency (MILVAX) Spokesperson Training Course	442
- MedPix - An On-Line Medical Image Database	442
- On-Line Education Series Focused on Quality of Care	442-443
- Learning Center Series of the Military Health System Optimization & Population Health Support Center	443
- Medical Responses to Weapons of Mass Destruction	443
- On-Line Forum for Current Advancements in Deployment Medicine	443
- Other Courses/Activities Sponsored by Continuing Education for Health Professionals During 2003	443-444
Association of Military Surgeons of the United States (AMSUS) Annual Meeting	444
Generated Cost Avoidance for DoD by the Office of Continuing Education for Health Professionals	445
Continuing Education for Health Professionals Generates Cost Avoidance for DoD - \$4,769,942 - (As Reported in the 2004 USU Fact Sheet on Cost Avoidance)	445

Support for Other Federal Organizations	445
National Aeronautics and Space Administration Teleconference Continuing Education Series.....	445
Military Training Network.....	446-447
Mission	446
Background.....	446
Strategic Goals.....	446-447
World-Wide Capabilities Essential to Medical Readiness.....	447
Military Training Network Generates Estimated Savings for DoD - \$11,372,044 – <i>(As Reported in the 2004 USU Fact Sheet on Cost Avoidance)</i>	447
DoD Center for Education and Research in Patient Safety.....	448
Establishment	448
Mission	448

VII. THE ARMED FORCES RADIOBIOLOGY RESEARCH INSTITUTE.....	449-474
Relevance.....	449-452
Background.....	449-450
Governance.....	450
Mission	451-452
- A Unique Program	451
- Documented Relevance	451-452
- Response Agreements with the Office of the Secretary of Defense	
Confirm AFRRI's Relevance to DoD	452
- March 2001 Technology Area Review and Assessment.....	452
Timeliness	453-457
An Impressive Response	453
AFRRI Fields Medical Training and Provides Rapid Response in Support of DoD Missions	454-457
- Support to the National Pharmaceutical Stockpile Program - May 2003	454
- Support Provided to the Interagency Working Group on Test Methods and Surrogates for <i>Bacillus anthracis</i> - October 9-10, 2002.....	454
- Support to the European Union on Medical Preparedness for Nuclear/ Radiological Events - 2002	454
- Support to the Centers for Disease Control and Prevention - July 18, 2002	455
